MANISH PATHAK

SPACE ENTHUSIAST

PROFILE

Technology enthusiast and developer with a strong curiosity for space, science, and engineering-driven innovation. Skilled in turning ideas into functional projects using code and creative problem-solving. Long-term vision includes contributing to space technology and building solutions that push humanity forward.

WORK EXPERIENCE

Kali Linux

- I use Linux by Live booting. I have used Burp Suite, Hydra, HashCat, Wifite, Gobuster and many more pentesting tools.

Try Hack Me Labs
